Press Release

Pregnancy Testing offered in Salem County

Contact: Rebecca Nnadi

Field Representative- Health Education

(856) 935-7510 ext. 8469

The Salem County Health Department would like to stress the importance of early pregnancy testing. "Getting prenatal care early and going to all your regularly scheduled doctor appointments are an important part of a healthy pregnancy", stated Herb Roeschke Public Health Coordinator.

Even though pregnancy testing is not available at the Health Department, Salem County residents who may need assistance can seek help from the following agencies:

- FamCare, Inc.-serves Cumberland, Gloucester, and Salem Counties.
 - Pregnancy Testing
 - STD Testing
 - Pap Smears
 - HIV/AIDS Testing
 - Male & Female Health ServicesAppointment Line: 1-888-794-1235

- Cornerstone Women's Resource Centers- (856) 935-0300
567 Salem-Quinton Road, Salem, NJ 08079
Free and Confidential Pregnancy Testing and Ultra Sound
Call for an Appointment.

- Southern Jersey Family Medical Center - (856) 935-7711
238 East Broadway, Salem, New Jersey. Call for an appointment, you need to see a doctor for the visit.

"Based on recent data collected by the Salem County Health Department, we have an unacceptable rate of mothers that seek late or no prenatal care in comparison to the state of New Jersey", stated Herb Roeschke Public Health Coordinator.

Proper health care before and during pregnancy will help prevent birth defects and other poor outcomes, such as miscarriage and stillbirth.

If you need more information call the Salem County Department of Health at (856) 935-7510 ext. 8469 or visit our website www.cshealth.org.
